

Accounting Bachelor of Arts program disclosure

The CAS Accounting BA program at Indiana Wesleyan University seeks to prepare the program graduate for licensure/certification and service in the Certified Public Accountant profession. Licensure/certification procedures vary by state. The procedure in the state of Indiana is:

The CAS BA in Accounting is a 124 credit program. If a student completes the accounting major in CAS they will meet the Indiana education requirements for the Business and Accounting credits needed to sit for the CPA Exam. However, they will need to complete an additional 26 hours of college credit in order to meet the 150-hour requirement to sit for the CPA Exam in Indiana. There is no specific requirement regarding the subject matter of the additional 26 hours. We encourage our students to complete additional 300/400 level business courses and other courses that will enhance their professional development in order to maintain the spirit of the 150-hour requirement. Most of our accounting students choose to complete the additional credits as part of the undergraduate program at IWU. Below are the state eligibility requirements and process for applying to sit for the CPA Exam in Indiana.
